Hey Tom,
Sorry for all of the confusion in the flurry of emails yesterday afternoon!
Bevin asked me to fwd you this document for the climate discussion on Monday.

Hope you are doing well and congratulations on your new appointment! Look forward to congratulating you in person in a few weeks!

Molly Martin

Coastal Watershed Coordinator

For the Climate Discussion on Monday since you will not be there. Molly do you have Tom's email to forward this to him? I will have a few hard copies for those who are in Tacoma. Michael, Mike wanted to ask about the Puget Sound indicators that were paid for with CRE funds on Monday.

Bevin,

I have attached a table of the climate related projects in Puget Sound. Thanks to Krista for pulling together.

Mike

Subject: FW: Can you send information on the proposed code change?

Hi,
I had mentioned this effort to both of you so I thought that you might be interested.

Thanks,
Bevin

Bevin,

I will forward your information to Kathleen Petrie-DPD and Patti Southard-King County. They are the co-chairs of the Regional Code Collaborative. They are both extremely busy people so give them a couple of weeks to make contact.

In the meantime you can refer to the attached for more info on the RCC as a whole. Water is one of the sub-committees. Patti indicated that Mike Brent from Cascade Water Alliance is on the committee.
